

UNISON Educational Grants 2020

Open University Grant

Because we want to help you to get ahead and develop your career, UNISON offers the following grant to members studying during 2020 at their own expense:

Open University (OU) Awards are available to UNISON members undertaking 30 and 60 point OU courses up to and including under-graduate level (first degree only) at their own expense. No awards are available for Masters Degree study or above. Awards are made as follows:

- ❖ 60 credit courses = up to £500
- ❖ 30 credit courses = up to £250

I have received my undergraduate degree. I scored a 2:1, meaning that I have wonderful opportunities for future full time employment; future self -employment, and future post graduate education.

I should like to convey my deep felt thanks to you all at unison for helping me financially with the Open University grants I received towards modules. I have always delighted in being an active member of unison, and will continue do so with enthusiasm

UNISON OPEN UNIVERSITY GRANT

Please read the grant criteria below carefully and complete all sections of the attached application form.

Grant Criteria

- Please note that grants are offered on a first-come, first-served basis until funding is spent; preference will be given to complete applications that have the required supporting documents.
- Grants can be used for study up to and including at under-graduate level (first degree only) on courses to help with your personal development or any career-related course relevant to working in public services, including public services delivered by private contractors.
- Support is not available however for qualifications linked to licence to practice or more generally intended to meet an employer's statutory and/or legal responsibilities (e.g. health and safety).
- A copy of your course registration and proof that you are paying the full cost of the course fees yourself will be required before any grant can be paid, though in certain circumstances we may look at offering a grant even if you are receiving money from elsewhere. You must include a copy of these documents with your application, and completing the attached form for payment to members by BACS, will help us to process your application more swiftly.
- You must be a member of UNISON for at least 4 weeks prior to applying for a grant, have no arrears of subscriptions, and continue to pay membership subscriptions during the time you are supported by a grant.
- Each member can only receive one UNISON educational grant in each calendar year, up to a maximum of four grants.
- Grants are made at the discretion of the NEC Development & Organising Committee.
- The course you wish to study must start in 2020.

What should I provide as proof of payment?

- A copy of the receipt from your course provider that shows you have paid the full amount of fees, or if you are undertaking an online course a copy of the email confirming your payment, this should also include the title of the course and the start date.

- If you are in receipt of a student loan for your course please send a copy of your student finance letter/agreement, this should include the date the letter was issued, the academic year the loan is for and the details of your course.
- If you are paying for your course in instalments you will need to provide either:
 - 1) a copy of the receipt that shows you have paid a deposit for the course and a copy of an instalment plan/payment agreement between you and the course provider or;
 - 2) copies of receipts showing that you have paid for the course in instalments
