

## UNISON Educational Grants 2020

### Trade Union & Labour Studies and Women's Studies

UNISON offers grants to help members who wish to study Trade Union & Labour Movement and Women's Studies courses.

The grants available to members studying at their own expense are:

- ❖ Certificate or Diploma Grants of up to £500 for members on Trade Union and Labour Movement or Women's Studies courses
- ❖ BA Grants of up to £500 for members on Trade Union and Labour Movement or Women's Studies courses
- ❖ Masters Degree Grants of up to one-third of fees for a union representative studying Trade Union and Labour Studies or Women's Studies.

*"I wanted to take time out to say a deep and heartfelt thank you for all your support while I have been doing the BA in International Labour and trade union studies at Ruskin. You can't imagine how much of a difference it made to me while I was studying especially at times when I changed jobs and money was really tight. I have now graduated and I can hardly believe it. As a teenage mum I thought I had lost every chance to enter higher education, as family priorities work priorities all took a precedent. Building that self belief that my life experience counted for something, that I really could achieve success with the ongoing support and encouragement was absolutely crucial. I thank UNISON from the bottom of my heart, for all the support you gave me. "*
